

How I Got to Denver

By Dennis Payton Knight

I missed my bus to Albuquerque,
So, I caught the one to Bowling Green,
But it went to Chattanooga,
Then Dubuque,
and ended up in Escondido.
I was late for the bus to Fresno,
So, I took the one to Gulfport,
That went instead to Hackensack,
Issaquah and Jackson.
I boarded the bus to Kennesaw,
But it put me in Laredo.
My Greyhound to Murfreesboro
Wound up in New York City,
Ossining, Providence and Quincy.
When they asked which Rochester I wanted,
I told them the one back east
And they took me to Saint Louis.
The Tallahassee bus went to Utica,
And the Valparaiso went to Walla Walla,
Xenia, Ypsilanti and Zanesville.
And that is how I got to Denver.
