

What Did I Say? Just Kidding!

*By Diane Parker*

You don't say! What did I say? You mean you don't know what you said? No, I don't know what I said. Tell me what I said.

Can't you remember what you said? Jog my memory. Maybe that will help me to remember what I said. Well, I'd think you could remember what you said 'you don't say'!

What did I say? You said 'you don't say' to me and I said 'what did I say'? What did you say?

I asked you what you said, don't you remember? You asked me first! I did? What did I ask? You don't remember?

Let's start over. Better yet. Let's don't. You don't say! Just kidding!
