Dear Pat,

Great to be remembered by you, any time, but especially  
at touching ninety-five.

Mom, you, Barbara have been the dominant women in my  
life;

And I owe everything I am,  
to the three of you.

Imagine how fortunate you, Barb and I have been, as  
witness and actors in everything for the last ten decades.

That has been given to few,  
and for that I am blessed to have this opportunity to thank  
you for your part.

May you continue to have the affection and adoration from  
your children, as ours honor their life by being decent  
human beings.

Love, Harry
