

Corner

*In the most punishing of Sports,
boxing,*

this enacted to

shouts of,

"Kill the bum",

"More",

"You Sissy"

and vulgarities,

The action is on stage called,

"The Ring";

yet,

there are four corners.

*Those early sports writers
chose an appropriate name for
their gladiators
to perform on.*

The hint of delicacy

in that romance

...ring.

It even sings.

No hint of the mayhem inside these ropes.
