The most casual of event can become the moment that changes a walkway of life. They are hours that shatter the pattern of previous days, bringing a new view of everything, surroundings, friends, cities, challenge safety, tranquility.

the first day of school...the last day of school,
that first beau.

Altering the beau into a mate for life
marriage before the world of friend and stranger.

The first employer ,, last employer,
the fist home for your family.

A good night's sleep

Peace.

Pencil and paper.

A caring ear.
