

WHAT IS MEANT BY THE END OF THE WORLD

The signs were given when Jesus walked the earth, on Mount Olive he told his disciples. They wanted to know, tell us when will be the signs of your presence, and the conclusions. Jesus said to them, look out that nobody misleads you. Many will come out on the basis of my name, and hate me. There will be wars, and wars, and rumors of wars. Do not be terrified, these things must take place, but the end is not yet. There will be nations that rise against nations. Kingdom against Kingdom, and there will be food shortages. And earthquakes in one place or another. Then tribulations, objects of hatred on account of my name. Many false prophets, and because of lawlessness the love of the great number will cool off. He that endures to the end will be saved. Why so much violence? Just know this is the last days, and critical times, and hard to deal with. For men will be lovers of themselves, lovers of money, self assuming, hardy blasphemy, disobedient to parents.

Unthankful, disloyal, having no natural affection, not open to any agreement. Puffed up, love of pleasure rather than a love of God.

Mankind thoughts are higher than God. They have build their house underneath the earth, and think they will survive. God had the power for all things, God gave the earth to mankind, indefinitely . Be on the watch whenever they are saying peace, and security, sudden destruction is to be instantly upon them. Just as pain of distress upon a pregnant women, they will by no means escape. Almighty God does not lie, he promised to make a new heaven, and new earth.. It is written.
