

SPIRIT OF PEACE

By Juanita Sparks

I am the Spirit of Peace
I come to you with
Offers of pathways to follow
To bring peace to yourself and
Others

As the spirit of Peace
My aim is for
Universal Friendship.

Achieved through a brotherhood
Dedicated to Equality.
Coupled with an understanding
Of Personal Differences.

My mission is raising Consciousness
For compassion toward
One Another
and
Cooperation on shared commitments.

Advancing toward
Universal Empathy
To abolish
Prejudice and Intolerance.

My scope as the Spirit of Peace
Is to Embrace the Human Race
With Encouragement
To bring forth
Widespread Harmony

As your Spirit of Peace
I want you to be aware
That Peace is within each of you.

Fulfillment of the goal for Universal peace
Is inherent within your deeds.

Each can cultivate
Unselfish intentions
Respect for Living Things
Diligent Awareness toward Social Injustices.

I am the Spirit of Peace
Heed my plea
Reach out with love
Toward One Another

Peace in your heart
Will foster
Peace on Earth.
