

I HAVE A DREAM

Juanita Preston Sparks

I HAVE A DREAM

That the catastrophe of September 11, 2001
Never happened.

I HAVE A DREAM

In which the planes that destroyed the Twin Towers
Of the World Trade Center
Continued onto their scheduled destinations.

I HAVE A DREAM

That the countries which have accepted the help of
America
In times of peril
Will now rally and aid the United States in her need.

I HAVE A DREAM

From which I will awaken
To discover that the World Trade Towers are still
standing
Tall and Proud.

I HAVE A DREAM

That there were no lives lost in that disaster.

I HAVE A NIGHTMARE-

Reality
