

## The Political Skinny

*By Liz Gibbons*

Could it be that many politicians are hurling accusations at each other because they are trying to save their own skin? The skinny on their corruption continues to be revealed. Many of their dastardly deeds make our skin crawl. But to them these deeds are no skin off their noses. Most of them are thick skinned and insensitive to criticism. They have skinned the system for their benefit. Their charade has gotten under the skin of many citizens. Some are so upset with them that they hope some politicians will be skinned alive. Will they escape by the skin of their teeth? We'll see. There is more than one way to skin those "fat cats".
