

VISIONS

If my vision is good
What will I see?
A green apple as food
or a pretty picture like me.

If my vision is good
What will I see?
A quiet serene room
or someone busy as a bee.

If my vision is good
What will I see?
A worm where a bluebird stood
or a bunny rabbit running free.

If my vision is good
What will I see?
Butterflies fluttering landing on wood
Oh, I see, I see! I see!
