

**AS THE ELEPHANT  
TRUMPETS**

by Nancy Martz

**Don-Don,  
The unqualified con,  
The sine que non  
Of crass:  
Me thinks you're a  
huckster,  
A schmuck run amok, sir,  
A poseur dispensing hot  
gas.  
  
Trump-Trump,  
The overblown chump,  
You distort on the stump  
And misstate.  
You don't have a plan;  
You're running a scam.  
You play act a real  
candidate.  
  
Pride in Bride,  
A speaker untried;  
Her own words her guide,  
They said.  
But come to tell**

**She copied Michelle  
And embarrassed the Don  
Instead.**

**Attacks-Attacks  
At variance with facts,  
Since knowledge he lacks,  
He slanders.  
One policy call:  
The keep 'em out wall;  
To fears and smears  
He panders.**

**Cruz-Cruz,  
Who hates to lose,  
Tells them to let  
Their consciences choose  
Resulting in  
Republican boos.  
He should have known  
You don't condone  
A conscience  
In a Republican zone.**

**So, Vote! Vote!  
Don't let Trump gloat**

**In his tail coat  
Next year.  
Don't let him mock  
Our distinguished Barack  
As Republicans gawk  
And cheer.  
  
Hillary! Hillary!  
Lead us to victory!  
We support you to be  
Our president!  
You'll bring the qualities,  
Knowledge and policies,  
Planning and expertise  
To government.  
  
So, Let's Fight!  
Let's all unite;  
Let's register voters;  
Let's be her promoters,  
For Hillary's win,  
No matter how thin,  
Is our only hope  
For our country to cope  
Without and within.**
