

The Young and The Old

By Sharon Buchan

When I was young I thought I would never get old
You will get old I was often told
When I was a child I was told I did not get much done
But unlike the adults I knew how to have fun
When I was a child I thought I knew it all
I thought my main job was to grow up and be tall
Now I am old and I never did grow tall
And now I know that even at this advanced age,
No one knows all
