

HAPPY THOUGHTS

(Thanks to Bing Crosby in the 40s)

By CC Huffhines

Just let a smile be your umbrella
On a rainy, rainy day.
And if you doubt this wisdom
A smile will always say:
“Though things are tough and skies are gray
 Just smile... don’t stew or fret,
 Just smile... you’ll never get wet”.

So, let a smile be your umbrella
On a rainy, rainy day.
Smiles make the sun to shine
It happens all the time.
