How Can We Help?....9-3-20....Hap Hansen

In Haiku-type poetry.

How does this great land,
have children in poverty?
One in six hungry.

How to help kid's needs?
The cathedral within us,
must learn compassion.

Some kids live in fear.
Many alone and lonely.
How do they find hope?

Hidden in shadows,
far from ivory towers,
dreams cannot come true.

A lonely bedroom.
A child crying at midnight.
The sound of sadness.

How can we bring them
a little slice of Heaven,
so they smile again?

How can a child's mind
reach the hills of let's pretend,
where joy always waits?

How can we do more?
Can we find it in our heart,
to help our children?

A thought....
