

Wave Your Wand  
In Haiku-Type Poetry  
by Hap Hansen

Either black or white.  
Comfortable in our skin.  
Malice forgotten?

Either black or white.  
Ebony and ivory.  
Live in harmony?

Either black or white.  
Can we wave a magic wand?  
And live peacefully?

Asian, white or black.  
We have all persevered.  
Can we become one?

Does this dream exist?  
Prejudices disappear?  
Only time will tell.
